CACI non-surgical face lift

3D LIPO face and body

IPL intense pulse light

CACI Classic £60 Course of 10 £500

Uses micro-current to lift and tone the facial muscles stimulates collagen. A course is recommended.

CACI Synergy £76 Course of 10 £600

Caci synergy uses Sped microcurrent and nasa LED light technology to enhance treatment giving a quicker longer lasting lift to the facial muscles

Stimulates fibroblasts to produce collagen. LED light treats everything from sensitive red skin to acne. Intense hydration is given using microcurrent to feather in intense hydration, and minimise fine lines and wrinkles.

CACI EYE Revive £40 Course of 10 £300

Use alone or add to your CACI, lift tone and hydrate, treat fine lines and wrinkles.

CACI Jowl Lift £40 Course of 10 £300

Can be used alone or added to any CACI facia treatment to really maximize the firming action of your treatment. Special quad probes double the lifting action of this treatment. Firms and tones jaw.

CACI Microdermabrasion with LED £48 Course of 6 £245

Suitable for even the most sensitive skin, as LED prevents redness and irritation, whilst the skin is gently exfoliated and brightened.

Treat special areas of concern every time you have a CACI

Choose an add on:

- Hydratone mask £6
- LED Mask £15
- LED microdermabrasion or wrinkle comb £15
- Eye revive £25

3D lipo is a non-surgical treatment which destroys and removes fat cells, treats cellulite and tightens skin.

A powerful three dimensional alternative to liposuction.

3D lipo uses a combination of cavitation, tri-polar radio frequency, shock wave and cryolipolysis.
